## BAND/ORCHESTRA PRACTICE SHEET

I am asking that all students practice **20-30 minutes per day, Monday-Saturday** on their band Festival Music, Solo, Ensemble Music, or private lesson music etc. You may double up days if needed. You may also practice more than the assigned time to achieve extra credit to earn your grade. This will make up 40% of your grade in Band/Orchestra. You may also acquire these minutes staying after school for help from Mr. Schoenherr, or practice before/after school.

**THIS IS HOMEWORK FOR BAND. & ORCHESTRA AND WILL COUNT AS 40% OF YOUR GRADE**
