Throughout the year the HFII Instrumental Music program participates in a variety of programs and special events. In December, we will be traveling to Atlanta to perform at the Chik-fil-A bowl. Proceeds from this event will go to support the expenditures of this trip for each student participant. With each road rally participant, please list a corresponding student(s) name whose account you would like credited. If your student is not participating in the trip to Atlanta your student's account can still be credited for future use. If you do not have a student in the program, please write in "GF" and your proceeds will go to the general fund.
